RESOLUTIONS — EXTRA SESSION—APRIL 29, 1945

We your Committee on Resolutions wish to make the following observations:

In view of the fact that the Church's first mission is to help save lost souls, we therefore urge all churches within its bounds to put more stress on *Evangelization.* Along with the regular yearly revivals, we would advocate weekly and monthly conversions or church additions.

We recommend as an aid to evangelism the teaching of Religious Education in individual schools as sponsored by the Wake County S. S. Convention in its training program. We wish further to emphasize the importance of Christian Education, as taught at Shaw University and other Christian Schools, and to foster the same we urge that the churches and members follow God's plan of giving.

DOCTRINE

That the pastors and churches of the Wake Association will continue to conform to the doctrines and faith as practiced by the founders—fathered of the Baptist Faith, and taught in the Great Commission to men.

Resolve:

1. That we as Christians emulate the Prince of Peace, use our influence to put in office men whose character and influence point to democracy in dealing with groups, races and nations.

2. That we as an Association pray that the Holy Spirit will guide the representatives in their deliberations as they plan for permanent peace in the world.

Respectfully submitted,

M. W. WILLIAMS, Chairman
